PROFITIS ILIAS

<https://www.samothraki.com/en/activities-and-places/sunset-view-at-profitis-ili-as-peak>

Just 7.3 km (13 minutes) from the island's only sandy beach, Profitis Ilias is an ideal starting point for climbers heading to Feggari, the highest peak of Mount Saos.

It is the highest village on the island, with beautiful views and great sunsets. The village is also known for its tavernas serving local grilled goat, open all year round.
